DAY 3 SEVILLE – GRANADA – SEVILLE (B)

Breakfast at hotel. Depart for a Full Day Granada Trip with Visit to Alhambra. From Seville we leave on a bus for Granada. Relax in the comfortable air-conditioned vehicle and take in the scenery from the nearby places en route to our destination. The Alhambra Granada was declared a UNESCO World Heritage Site, being a stronghold for Muslim architecture, history, culture and art in Spain. Discover the Moorish empire that once dominated the country before Islam was vanquished by the Catholic monarchs. As you pass by the hallways, pavilions and lavishly decorated rooms, our expert guide will fill you in on the legacy of the Moors, who ruled Spain for 800 years and brought significant advances in astronomy, chemistry, physics, mathematics, geography and philosophy. The Nasrid Palaces are a distinction from their own time until present day. Here you will find stucco ornamentation and an atmosphere of weightlessness and airiness which is characteristic of Moorish architecture. What makes it truly unique are its lavishly decorated rooms, with a masterclass of mosaic tilework. Get lost in the labyrinthine structure of the passageways, courtyards, baths, alcoves and dead ends that snakes throughout the palace and sets it apart from the straight blueprint expected from Western architecture. Step into a world of natural wonder in the Generalife Gardens, a retreating place made for Moorish kings. It is a calm paradise of fountains, peculiar gardens and intricate carvings on the walls. Through the maze-like interior you can lose yourself in the intricate maze of courtyards including the Myrtle courtyard, the Hall of the Abencarrages, the Royal baths, the Salon of the Embajadores and the Lions courtyard. Enter the Palace of Charles the V, a structure that was never completed, and remains roofless. It is a circular patio with two levels, reminiscent of Roman architecture. Its structure reflects the persona of the king it is named after- imposing, powerful, dignified, solemn and aloof. Finally get the chance to promenade around the Albaycin and feel like you're stepping into a different world as you lose yourself in the distinctly preserved Muslim influence. Around the site are several shops and restaurants that you can browse at your leisure. This tour will challenge your perspectives of faith, and show you the scope of just how intertwined two things can be when they inhabit the same place. We return to Seville at the end of the tour. Overnight in Seville.
